MountainWest Chapter

## President's Message

By Katie Harwood, CRCE-I  
Utah MountainWest President

Greetings all,

Wow, another summer has gone by and we enter fall soon, with weather to match! I have enjoyed hiking almost every day since springtime and soon will complete my first trail half marathon in Bountiful. I hope each of you is taking the time to rejuvenate and find what fills your cup.

We are coming up on Elections, not only on the national level but for our local chapter 2023-2024 terms. I am excited to share there is an interested candidate for President, which means my term will come to an end in 2022. A new era of leadership for our chapter will begin, and a fresh perspective is always welcome. In addition, we have several open board positions that will be filled as well. I encourage you to vote when you receive the email, it is a benefit of your membership.

While I will no longer be the chapter President, my role will transition to the chairperson of the board. I will continue to support our leadership team and we look forward to building quality education opportunities to provide CEUs for your certifications and professional development.

On October 21, we are hosting a joint Professional Conference with the Utah HFMA chapter- Expanding your Career Horizons and Professional Perceptions at the Hogle Zoo. This event is chock full of education from 9:00 am to 2:30 pm. We are excited it is our first in-person education event with a broad attendee list- what a great opportunity to network! The indoor meeting area is conveniently located near the main entrance of the zoo, and there will be a fun animal experience for the lunch hour! If individuals want to take advantage of the Zoo after the event ends, tickets will be available.

I want to thank you all for continuing to support our local chapter during the last 2 years. We have all learned so much about ourselves and how important the connections we make with each other are. I am privileged to have led the chapter for the last 5 years- and look forward to the future.

As always, please feel free to reach out with any questions or ideas for future events
